Linda,
We really had fun this year! especially the good life during our Memorial class. This sure was a big year for you - you got your braces off and you look so. neat. You really look cute now. I feel honored to have such a pretty girl for a friend. Well, tomorrow my last anniversary for me. I'll never fall in love again. (as that popular song goes). You were really great the way you listened to my problem(s) and the way you helped me write the note which led to better relations with my love. I hope we can get together this summer. Oh, remember the Godfather and Rita Hayworth Love,

You know my mother thinks you are the cutest girl she has ever seen... and you know she's right! I won't say goodbye, because I plan to see you durning the summer to go skiing, pizza eating, Felix hunting. Please don't desert me, I can't handle Nancy alone. Looking back don't forget every Fri night ladies club!... and shorthand! You're a great friend!

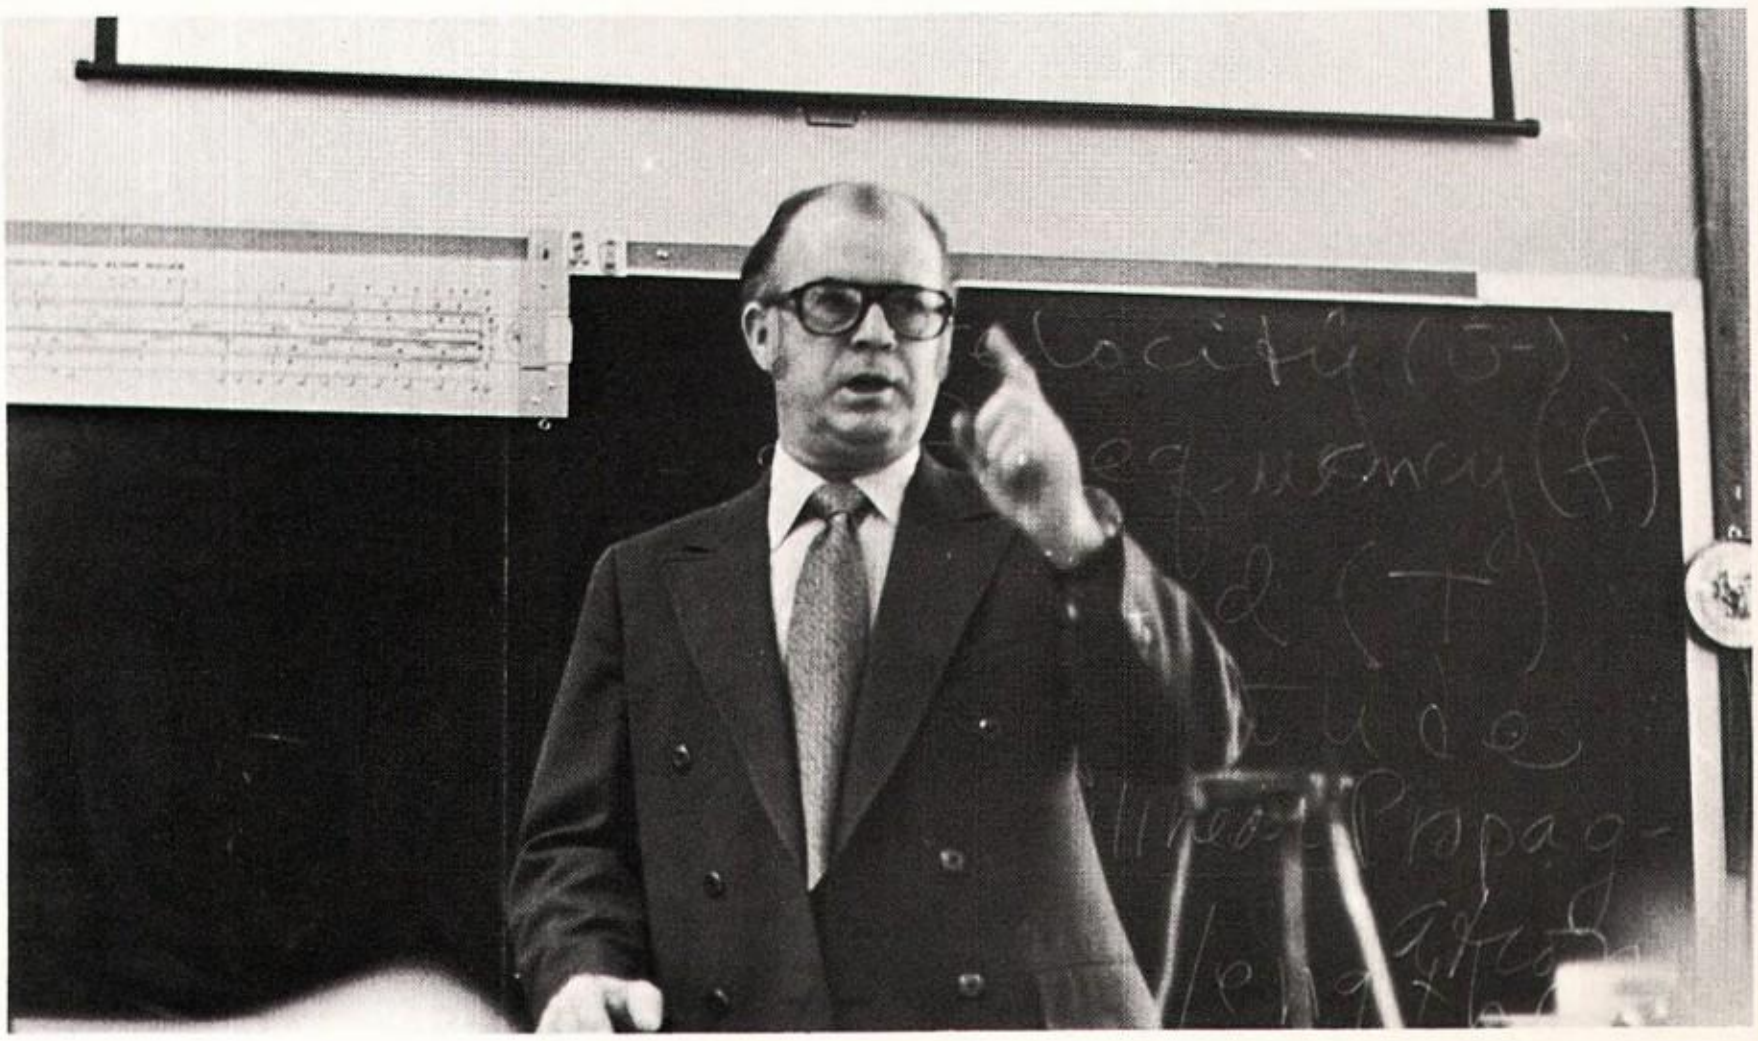
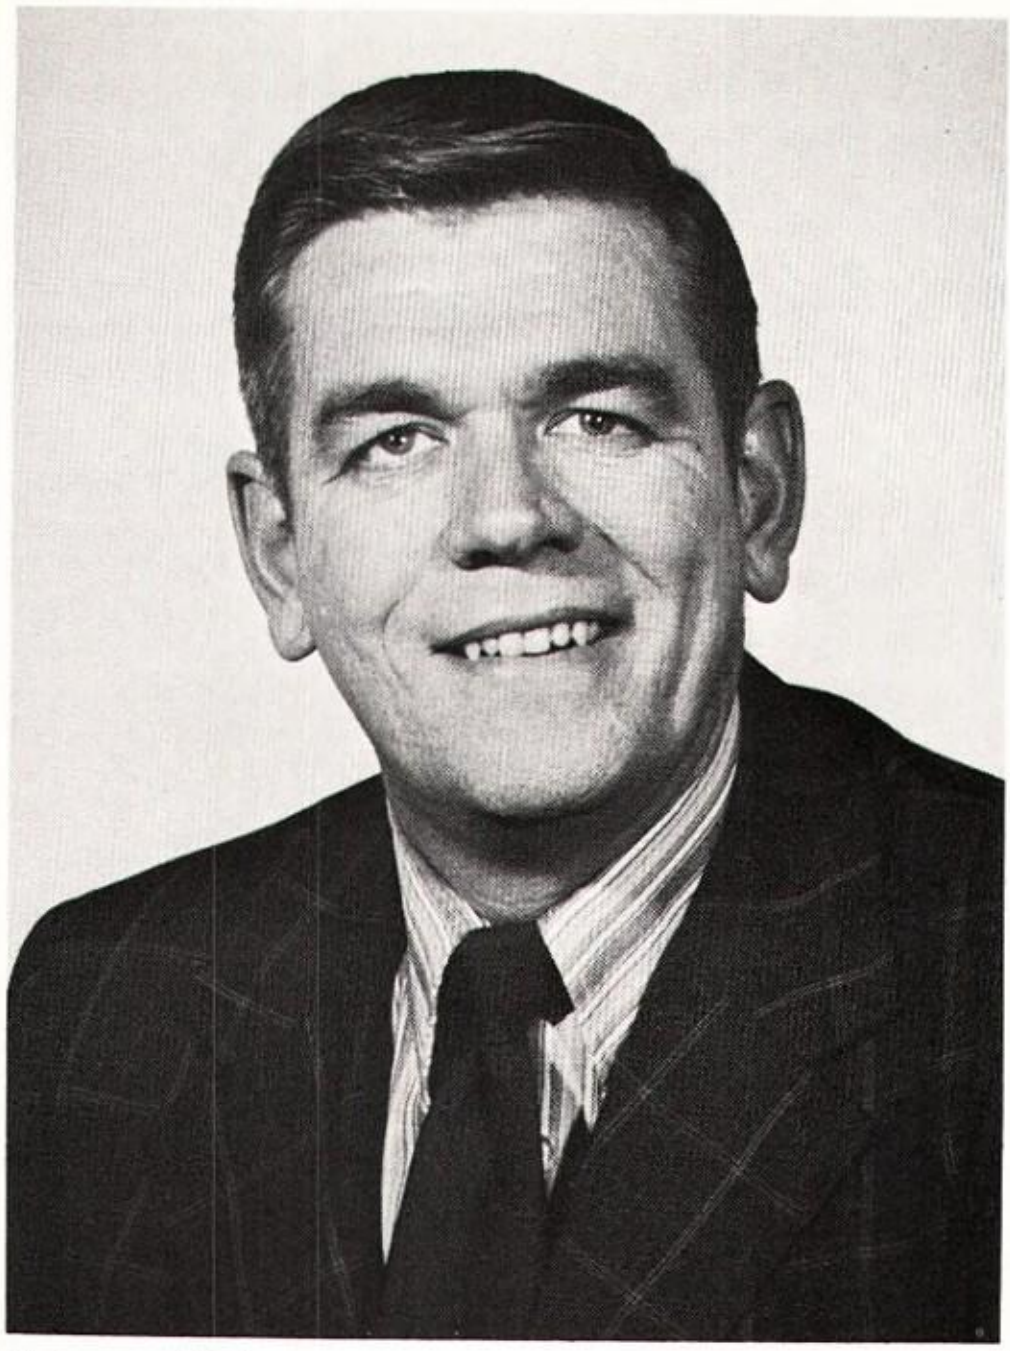
To you we dedicate— Mr. Smith . . .

When asked who deserves the dedication of the yearbook, the senior class came up with a tie vote—Mr. Edward Smith and Mr. Gunnard Anderson. Mr. Smith is a teacher of Physics and Science and also supervises all radio work done for Southwestern. Always ready to help and always interested in all students, Mr. Smith has been a favorite of many. He continues to receive our love and respect.

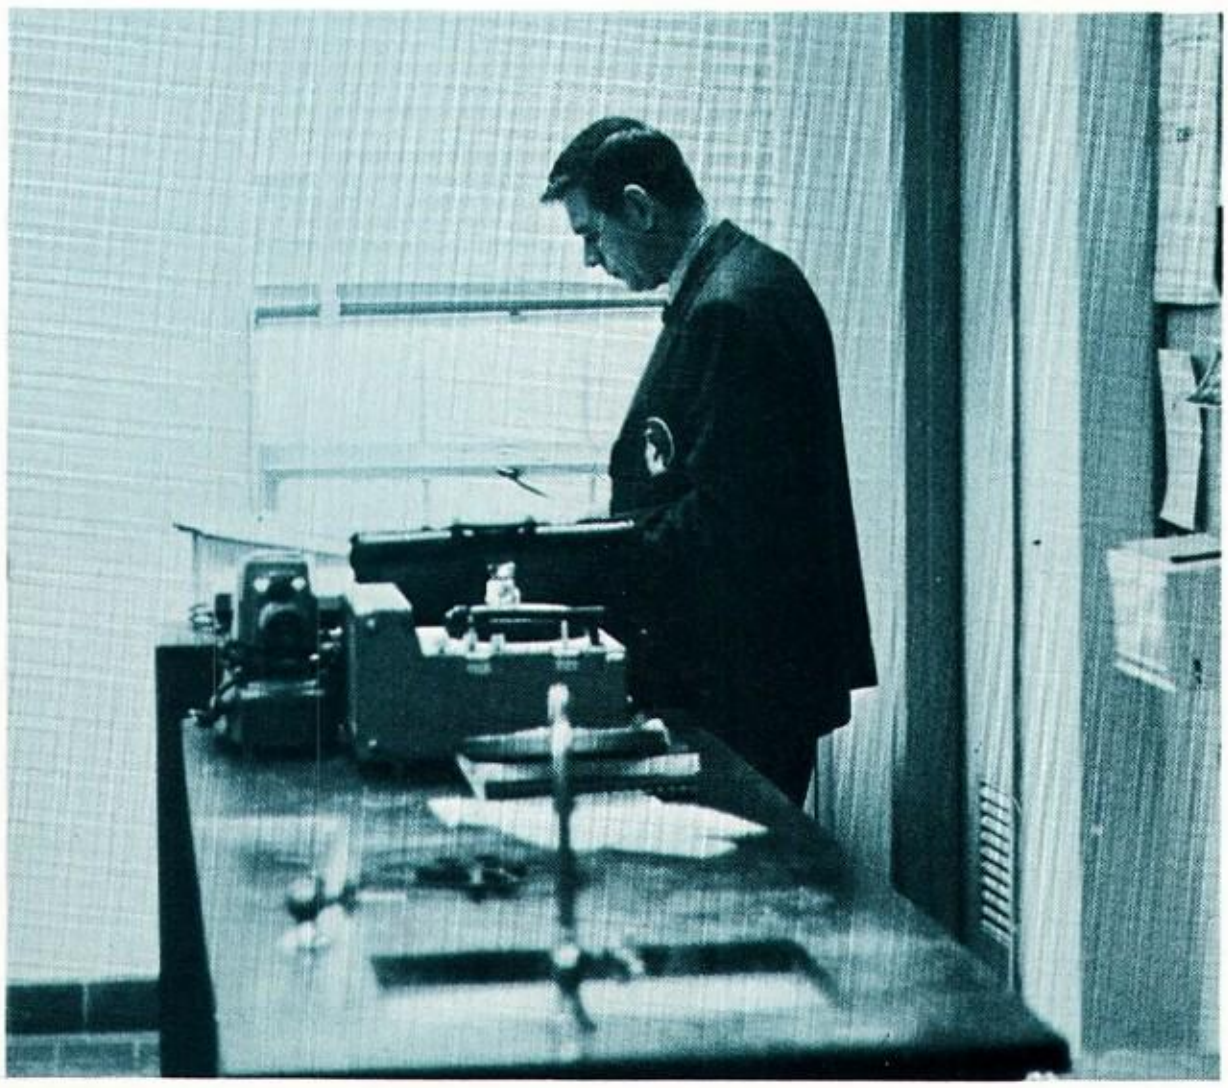
Mr. Edward Smith.





Mr. Gunnard Anderson

. . . . and Mr. Anderson



Mr. Gunnard Anderson is the Varsity Basketball coach and an all around great guy. When health became mandatory in New York, no one seemed to care because Mr. Anderson is the teacher. His friendliness to all students, fairness on the basketball court and interest in the school are evident. His life and his personality are worthy of praise. So, Mr. Smith and Mr. Anderson, we dedicate to you this yearbook, Centralian 72.

We've only just begun . . . . .

It is the sunrise of our lives,
we haven't yet known
noon or evening.
Our days lie clean before us;
changing years crammed with tomorrows,
or maybe just one year—
or a solitary tomorrow.

But with each day
the light of experience increases,
until life revolves
fuller and fuller outward
spiraling, spinning, gathering momentum
and we are.
Alone, a someone.
To fill emptinesses
To graph weak boughs to mighty trees
To be, whether for a lifetime
or a day
To begin.

In the briefness
that is today
Lie all the
realities of existence . . .

Everyday a new
beginning, a chance
To go somewhere.

Homecoming 71

Homecoming weekend 1971 was highlighted by the annual Southwestern-Falconer game Friday night, and the traditional Homecoming dance on Saturday night.

The exciting football game Friday night was climaxed by a 7-6 victory over Falconer and the crowning of our Homecoming Queen and her court.

The dance Saturday night had a Harvest Ball theme, complete with cider and donuts. The music drew many couples out on the dance floor for an evening of dance and fun. Others sat at the tables and took in the twisting, swinging dance floor. And at midnight, when the lights came on, everyone returned home with memories of the best weekend ever.

Bargains are offered at Student Store

This year the Distributive Education Club has moved into a new, larger Student Store. School articles such as paper, pens and folders can be bought at discount prices. Jackets, shirts, and sweaters can be purchased from the store. The professional job done by the store personnel is to be commended. The store benefits not only the student body, but also the D. E. Club who have the opportunity to gain experience in salesmanship.

There is always service with a smile at the D. E. Store.

Pep week shows spirit

Once again the students of Southwestern participated in the annual Pep Week. As a change of pace, it was held during the Christmas season, which enabled the classes to tie in school spirit and Christmas spirit.

The seniors reigned victorious with the class of '74 placing second. It was the opinion of the school that 1972's Pep Week was the most successful held!

Points were determined by anonymous judges on the basis of signs, general spirit, white gifts and the pep assembly skits. The school enjoyed a week of carols and Santa Claus, while the Senior Class enjoyed the extra fifty dollars added to their bank account.

President—John Wright
Vice President—Jeff MacCubbin

This year, student council efforts have been directed towards more communication with the students. There have been homeroom discussions which gave everyone a chance to air their gripes or ideas and to hear what the Student Council has been doing. Projects this year were dances, an essay contest, and a council exchange with Buffalo area schools. We are looking forward to more projects in the future.

Throughout history those who excel have been recognized and marked for special honors. Ancient and medieval universities established their honor societies. In election to the National Honor Society, the secondary school faculty honors the attainments already made by the student. It recognizes the promise they contain in achieving the high ideals of the school. This year's Honor Society dedicated itself to building up the level of the organization and to make it a contributing factor in the school.

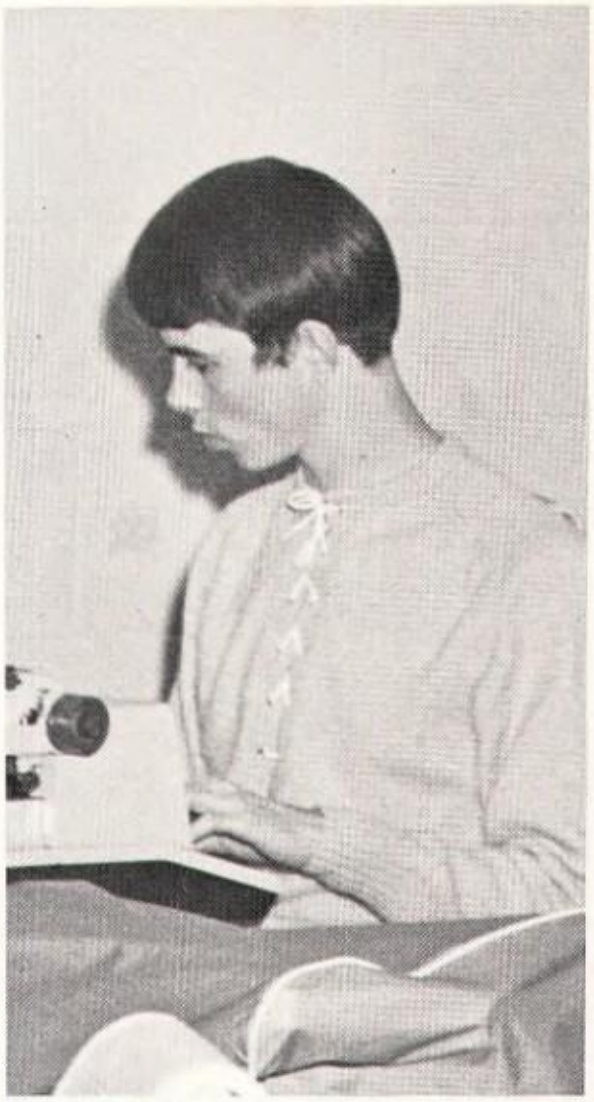
The door to international understanding– AFS

The American Field Service is coming out of hibernation at Southwestern. With the help of Lars Berg, our exchange student from Norway, and Laurie Seltz, the club President, great things are happening. Money is being raised to send a Southwestern student abroad in 1972. This project is a joint effort with the adult AFS committee.

Lars' home is Kongsvinger, Norway and he is the guest of the Robert Booteys. Through this experience, both for Lars and for the students of Southwestern, a better understanding of international friendship is hoped to evolve.



Lars participates as a full time Southwestern Student.

Yoshiro enjoys American stay

This year we at Southwestern have enjoyed Yoshiro Ito. We have benefited from him personally as well as gaining an insight into his culture and the Japanese way of life. His outgoing personality and winning smile have enabled him to get to know many people, young and old. So our best wishes go with Yoshiro Ito and Lars Berg, representing Japan and Norway.

Drama Club consists of any students interested in drama. This year the Trojan Playhouse presented three plays, a comedy, a drama, and a musical. The comedy "Don't Drink the Water" was presented with great enthusiasm. The senior Class united to present "The Diary of Anne Frank." Many students sang and danced their way through "Guys and Dolls", Mrs. Schroom's first year here as a director proved to be one of the best yet at Southwestern.

Don't Drink the Water

This year the Trojan Playhouse presented the Cold War Comedy, "Don't Drink the Water" by Woody Allen. The Hollender family, mistaken for spies, takes refuge in an American Embassy. From then on, the plot includes a secretary who thinks she is the Wright Brothers, a tricky priest, a clumsy Ambassador's son, and a caterer from New Jersey. The Trojan players fared well despite the onset of laryngitis the day before opening. With the many talents of the actors and a quart of listerine, the zany plot, was well received. The vast experience of the new director Mrs. Schroom made this years comedy one of the best.

This year Spanish Club had a record turnout of over sixty members, with a lot of interest and participation from underclassmen. We have broken the tradition of Seniors as officers, with two sophomores Tom Mira; Treasurer, Petter Turnquist; Secretary, and a junior Delma Raper; Vice President. Greta Weiler is our President and our officers are full of ideas. This year we have plans of a Spanish dinner for club members as our first project, (a night on the town). Dues are reduced because of high attendance, and we plan on many money-making projects, the traditional taco sale, car washes, sponsoring a dance after games, and just about anything else we can come up with. We are looking forward to a fun year!

The German Club holds meetings every month, with Herr Pfaff and Fraulein Thomas. At each meeting plans are made to have a native German or someone who has traveled to a German speaking country come and tell about their trip. So far this year Tim Fargo and Patty MacDonald have come to tell us about their trips to Germany. The major fund raising activities of the year were the sale of German Christmas candles. At Christmas, a party was held with many native Germans as guests. The money made goes towards a scholarship to be given to the senior who has made the greatest achievement in German. This will also go to buy gifts for other students who have made outstanding achievements.

Future Teachers learn their trade

Future Teachers started the year with a bakesale during the Fall Festival Days under the guidance of Miss Boerst. Officers of the year were Tina Stuart, president; Kris Cole, vice-president; Shelley Frederick, secretary; and Karl Liliestedt, treasurer. It has been four years since we have been able to claim this but once again FTA proudly boasts the membership of the males. Each month the members are given the privilege of going to the Middle and grade schools to teach. All of our money making projects were aimed at the goal of giving a scholarship to the most promising future teacher. We held our annual Tea for the grade school teachers and adhered with tradition by closing the year with our Banquet.

The Trojan

"The Trojan," the school paper is printed monthly for the enjoyment of the students, faculty and administration at Southwestern. This year, a lot of new things were tried on the paper. A gossip column, poetry, and artwork were added, making for a longer, funnier, and more interesting paper. The hardworking editors and their staff could be seen working diligently at the James Prendergast Library, after school and before school, putting together a professional paper. The success of "The Trojan" is measured by the great anticipation of the day the copies are passed out.

Mr. Robie doles out evidence to a debater.

Southwestern has every reason to be proud of it's excellent debate and speech team. After winning the Regional Sweepstakes Trophy at Amherst last year, they have come back to another successful season.

Varsity debaters are David Campbell, Kris Cole, Tina Stuart, Kathy McDonnell, and Ken Garey. This year's topic is the judicial system.

The Debate Team not only debates, but enters speech tournaments in original oratory, dramatic interpretation, extemporaneous speaking, and political oratory. Much of the teams success is due to their great coach, Mr. Robie.

We began production of the '72 Centralian at a forum held by Inter Collegiate Press in Buffalo last spring. Our editors gleaned many ideas for the book through exchanges with representatives of the thirty area schools. Concepts of the yearbook as a graphic medium were stressed.

Spirit ran high as we strived under the leadership of Mr. Bowman, and never faltered despite much fiery controversy. In grueling work sessions, we came to know the true meaning of the words "layout" and "deadline". We have sought the support of the community by including advertisements in our book. With the use of special effects and modern layouts, we have tried to break away from conventional traditions. To you we proudly present the '72 Centralian.

Once again, 82 members of the Southwestern Ski Club and the flight crew of Bonzai Airlines make those legendary Bus trips to Cockaigne on Thursday nights. Under the able-bodied "censorship" of Mr. Miekina and Miss Boerst we will sponsor many Pizza sales, dances, (if you can call them dances) card games and parties at the "chicken coop" throughout the winter season.

The club members have also shown interest in joining the Explorers, a national group affiliated with the Boy Scouts. With the cooperation of the school board, we will also form an inter-school racing circuit. Contacts have been made with other Ski Clubs, and by the end of the season, Chautauqua County will have an Inter-Scholastic Ski Council.

The 1971 Trojan Band had a very busy year. Along with marching at all the football games, they performed at many concerts. In the spring they competed at both the Springville and Gorham music festivals. The band played host to the Ohio State University while they were on their way to Carnegie Hall, in New York City. To complete the year, the Trojan Band took their annual concert tour and this year's destination was Washington, D.C.

This year's A Cappella Choir has taken a different approach from previous years. Under the direction of Mr. Schaufelberger, in his first year here, the concentration has been on the exercising of musical skills. The aim throughout the year was toward a good performance at competition. The accompanist was Brenda Klenck, whose dedication and patience ended in better pitch.

During the year, we held Christmas concerts for the Optimist Club, parents, and a concert for our fellow students. It was quite a pleasant surprise when the student body enthusiastically applauded and thoroughly enjoyed the assembly. There were many favorable remarks about our performance. We held a Spring Concert, competition recital, and we sang for Baccalaureate.

Cross Country Team best yet

After the 1st practice when only 14 boys appeared, I thought the season might be slightly questionable. But as the season progressed, we were blessed with quality instead of quantity. With returning lettermen Jay Gutknecht, Jeff MacCubbin, Kurt Oberhofer, and Co-Captains Mark Swanson and Jerry Marra, we had an excellent core from which to build a winner. Sophomore Brian Hull and Juniors Kelly Griffin and Brian O'Connor rounded out the main point winners for SWCS.

After giving Fredonia its 1st loss to league competition in 6 years, the team went on to win 7 triangular meets and finish 2nd twice. The team finished 2nd in the County with Brian Hull receiving a trophy for placing 2nd. In the Sectional "A" meet the Trojans placed 2nd, again to Fredonia for the best finish ever. They also placed 3rd in the "A-AA" division to see which team went to the state meet. This also was their best ever finish. Jerry Marra became the 1st boy Coach Priester ever had to go to the State meet where he placed 74th out of 126.

Varsity Football has winning season

This year, our football team exceeded expectations and finished an outstanding season with a winning 5-3 record. First-year head coach Dan Barren started the season with an inexperienced team and did a great job! When asked about this year's team he said "I'm extremely happy with the accomplishments of the '71 Trojans, when one considers there was only two lettermen returning from our 1970 squad." He felt that our season was really something to boast about. We won handily in our opening game against Kane with Larson's completion of fifteen out of nineteen passes. We defeated our arch rival Falconer. We came from behind twice in the second half to win over Wellsville and Falconer during the season. We upset a good Dunkirk team for the first time in five seasons and won three out of our last four games. In the final two games of the season, even after a spotty defensive performance during the season, Southwestern held Wellsville and Iroquois to a combined total offense of 222 yards which is an average of only 111 yards each!

Coach Barren was very happy with this year's senior players. Co-captain Pete Bosco, tackle; Pat Sanders, end; and co-captain John Wright, middle guard; all had great seasons defensively. Guy Lombardo, offensive guard, and co-captain John Kost both did commendable jobs blocking. Bob Hall led the team in pass receptions. Chuck Richards, defensive tackle, and Mike Luce, playing intermittently at tight end and defensive guard, were also intensely important to this year's team. Dave Lewis, who was used mainly on the kick-off and punting units all year, did an outstanding job as defensive end against Iroquois. These seniors all deserve our congratulations! Mark Beckstrand, Art Guyer, and Steve Larson will be next year's varsity football captains. There are really too many factors to predict whether or not we will be highly successful in the 1972 season. This will come soon enough, but Coach Barren is optimistic with 15 returning lettermen.

This year the Wrestling team had a successful season despite a few setbacks. Injuries to many of our varsity starters plagued this year's team. Also, Captain Greg Bridges could not wrestle until the second semester. Determination, and a lot of hard work helped them to end the season with a duel meet record of 8 wins and 5 losses. They exemplified the Pride, Sacrifice and Courage that they are so well noted for. They never gave up! The Holiday and Class A, Section VI Sectional Wrestling Tournaments were both held at S.W.C.S. this year. Winners of the Holiday Tournament were Bob Moberg and Jeff Swan. In the Sectionals, Jeff also emerged a winner along with Greg Bridges. Greg shared the Most Outstanding Wrestler honors of the Sectional Meet with Mike Arnold of Pioneer. Jeff went on to win in the 122 weight class at the Inter-Sectionals with Greg placing second at 135. Jeff's victory in the Inter-Sectional Tournament earned him the honor to compete in the State Meet at Syracuse.

Varsity Basketball team slash records

The 71-72 Varsity Basketball Team had a successful season of thirteen wins and six losses, and second place in the league with a league record of seven wins and three losses. The basketball team is already looking forward to next year in hopes of another winning season. This goal seems quite likely since four of the starting five are returning for another year. Near the end of the season the Trojans had their most outstanding victory. This was the win over Fredonia who was then undefeated. This memorable game was played before a packed house.

A large turnout of young bowlers and a new coach was again brought to the Southwestern Bowling Team. Mr. Tony Scarry, Middle School Science teacher piloted the team to a worthwhile season. The Trojans finished the season with an 18-22 won, lost record. Valuable experience was gained and the team is looking to future winning seasons with first stringers Gregg Guichard, Laurie Staples, Caroline Hedberg, Randy Schroeder, and Bruce Jackson all returning next year.

Sports Boosters

Part of the reason for the great success of the Trojan teams is the fantastic support from the Sports Boosters. These adults are always ready to cheer the athletes on and work behind the scenes to make the competitions run smoothly. As in years past, the Boosters sponsored a banquet at the year's end to honor our Trojan athletes. To make this event bigger and better than any before, the Sports Boosters sold cushions at football games and wrestling matches, and sold refreshments to the mobs of hungry spectators at the wrestling sectionals. At the banquet, the Boosters presented the Varsity Trojans with Trojan head trophies as a token of their pride in the effort put forth by these students in their various sports activities.

Seniors

The class of '72 has reached it's long anticipated goal of becoming the Senior Class at Southwestern.

Through our years at Southwestern we have all experienced times of happiness, sadness, success, and defeat. But through all these times we have tried to gain the unity important to any class.

To you, the future Senior classes of Southwestern we leave the hope that you experience all the happiness, anticipation, and fulfillment we have experienced in our endeavors here at Southwestern.

We hope you'll always take pride in Southwestern and if you ever see a definite need for change, we hope you'll have the ambition to help accomplish or bring about that change.

Finally, the class of '72 sincerely hopes you'll achieve the goal which often takes the most ambition to achieve, that being success, and the lasting unity of our class.

Randa,
When you
read this in the
future you'll know
that this was written
June 13, 1972 and I wrote
it, Because what I'm
going to write is
"Think and be Cautious
Next Time" Anyways
Good luck to one
of the best friends
I ever knew. Be as
good as always.
AND remember that
a good
girl may
finish last,
but she always
finishes best.

To be born is to live
And living is learning
To look at the world
With a hope and a yearning
To accomplish a purpose
And make life worthwhile
To attain a goal
Each step of the mile
Life is an experience
There's much to be done
To reach life's goal
We've only just begun

The goals of the future. . . . .

We've only just begun.

Linda,
Well as you said we made
it through it and Bowman (ick)
I'm really glad we made
friends this year and I
hope we'll stay friends.
Good luck in your last year
and senior lucky bum. Only
all I have is 2 more. Have
fun this summer and behave.
See ya around!

Linda J,

Don't forget our
study hall 5x Friday!
and teaching me shorthand.
Also good old Helix, with
the big nose, squinty eyes,
and the pointy ears. It
has been a visit to heart-break
hotel hasn't it? and don't
forget your romance with Jeff
Milner and my budding new
romance with P.S. Well, I'll be
looking forward to our ~~full~~ future
trips to Lexington Pl this summer.
and of course, to when you invite
me up everyday to water ski in
your dirty old pool!

Love

Linda,

I know we'll never forget our water glasses and all those monotonous trips to one destination - guess where - after we'd drunk our fill during those 7th & 8th mods in our cafe at our "table"! there were all those horrid encounters with "M.K." and the way she tried to seduce everyone in Sth. Remember her military like regime, and the way she scowled these late comers! Good luck on your plans for the flat fire and summer fling! Have fun when you go away to college and enjoy the ocean! Also remember our library nites + plans for hot pants!

Love, Sue Stockting
